**Notification of listing on the NHI drug price standard and marketing of
MOHRUS[®] PAP XR 120mg, a topical analgesic and anti-inflammatory product**

Hisamitsu Pharmaceutical Co., Inc. (Head Office: Tosu city, Saga prefecture, Japan; Chairman and CEO: Hirotaka Nakatomi, hereinafter referred to as Hisamitsu) hereby announces that MOHRUS[®] PAP XR 120mg, a topical analgesic and anti-inflammatory product, for which Hisamitsu received approval for manufacturing and marketing in August 2015, has been listed on the National Health Insurance (NHI) drug price standard as of today. In addition, the launch of the product is scheduled on December 15, 2015.

This is a topical analgesic and anti-inflammatory product developed as a gel patch-form drug (once a day) using Hisamitsu's TDDS (transdermal drug delivery system) technology, and is indicated for the topical treatment of 9 different symptoms such as "Relief of pain and inflammation in Lumbago" and "Relief of local joint pain in rheumatoid arthritis."

We are confident that this new addition will further contribute to analgesic drug treatment.
