

**Notification of Voluntary Recall for Topical Analgesic Patch**  
**“SALONPAS HOT®” (Category 3 OTC Drug in Japan)**

Hisamitsu Pharmaceutical Co., Inc. (Head Office: Tosu city, Saga Prefecture, Japan; President and CEO: Kazuhide Nakatomi, hereinafter referred to as “Hisamitsu Pharmaceutical”) is voluntarily recalling the following manufacturing lots of “SALONPA HOT®” (Category 3 OTC Drug in Japan) (Large) because it was found that the colorant contained in trace amounts as an additive was not compliant with some of the specification for legal colorant of the approved document.

However, the amount of colorant in the product is very small, and there is no risk of potential serious health hazard due to this event. Presently, there have been no reports of health hazard resulting from this event.

We deeply apologize for any inconvenience and concerns this may cause our consumers and business partners. We will take steps to prevent any reoccurrence, placing further emphasis on quality control of our products.
