I would like to take the occasion of the Tokyo 2020 Olympic Games to formally thank your company and everyone involved for your efforts on our behalf. The Tokyo 2020 Olympic Games were held amidst numerous restrictions owing to COVID-19 infection countermeasures, but the images of how the athletes gave their all to the events, deepened their respect and friendship toward each other, and communicated their thanks to the many people who supported them highlighted the attractions and value of sports more than ever before. The donations we received from everyone will be used effectively to broaden the scope of activities for the athletes. We ask for your continued warm support for TEAM JAPAN.
