It has been 89 years since Salonpas<sup>®</sup> was first launched in Japan and 85 years since it was first exported to overseas. This recognition of being the world's No.1 Brand for seventh consecutive years would not have been possible without the valuable, ongoing support of the company's many customers and stakeholders.

Since its 1847 founding in Tashiro (then Hizen-Tashiro) area of Tosu, Saga, Hisamitsu Pharmaceutical has been continuing to deliver high-quality pharmaceutical products including Salonpas<sub>®</sub> through subsidiaries, sales offices, and production sites located in Japan and other countries under the spirit of "The Customer-first Principle", and we will strive to deliver a better QOL to the world.

May 18 has been registered with the Japan Anniversary Association as "Salonpas® Day," whose date has linguistic ties to the Japanese phrase "*Kori o iyasu*" ("relieving stiffness"): "*Ko*" corresponds to the number 5 ("go"); "*i*" represents 1; and "ya" stands for 8.

Hisamitsu Pharmaceutical will continue to expand its business operations worldwide, centering its activities on the basic principle of "Delivering a Better QOL to the World."

## \*1: Research Method

To determine the world's No. 1 OTC topical analgesic patch brand, Euromonitor International conducts a global market research from March to April every year. In the thirteen countries and region collectively representing more than 70% of the global topical patch product retail market in 2022(China, Japan, the United States, Germany, India, Italy, Thailand, Brazil, Indonesia, Vietnam, Philippines, Malaysia and Taiwan), Euromonitor International conducted trade interviews of manufacturers and wholesalers, visited retail outlets for store checks, and compiled the sales figures of patch products by country and brand to calculate the corresponding sales shares.

\*2: Euromonitor International

Euromonitor International, a British company headquartered in London, is a leader in international market research with exclusive researchers in over 100 countries.
